MESSAGE TO GRADUATES

As the long awaited day for graduation approaches, many of you will indulge yourselves in a type of bittersweet reverie of your four years in school. What you recall as enjoyable and what you recall as distasteful will vary with your unique experience, background, and attitude toward life. Regardless of what your remembrances are, it is necessary that each of you take time to think – a sort of private retreat. During this time you isolate yourself, if only mentally, to allow an opportunity to contemplate some of the events in your life, to consider alternative choices, and then to project yourself into the future. While you may not be able to foretell the future, you will in a general way be able to plan your future.

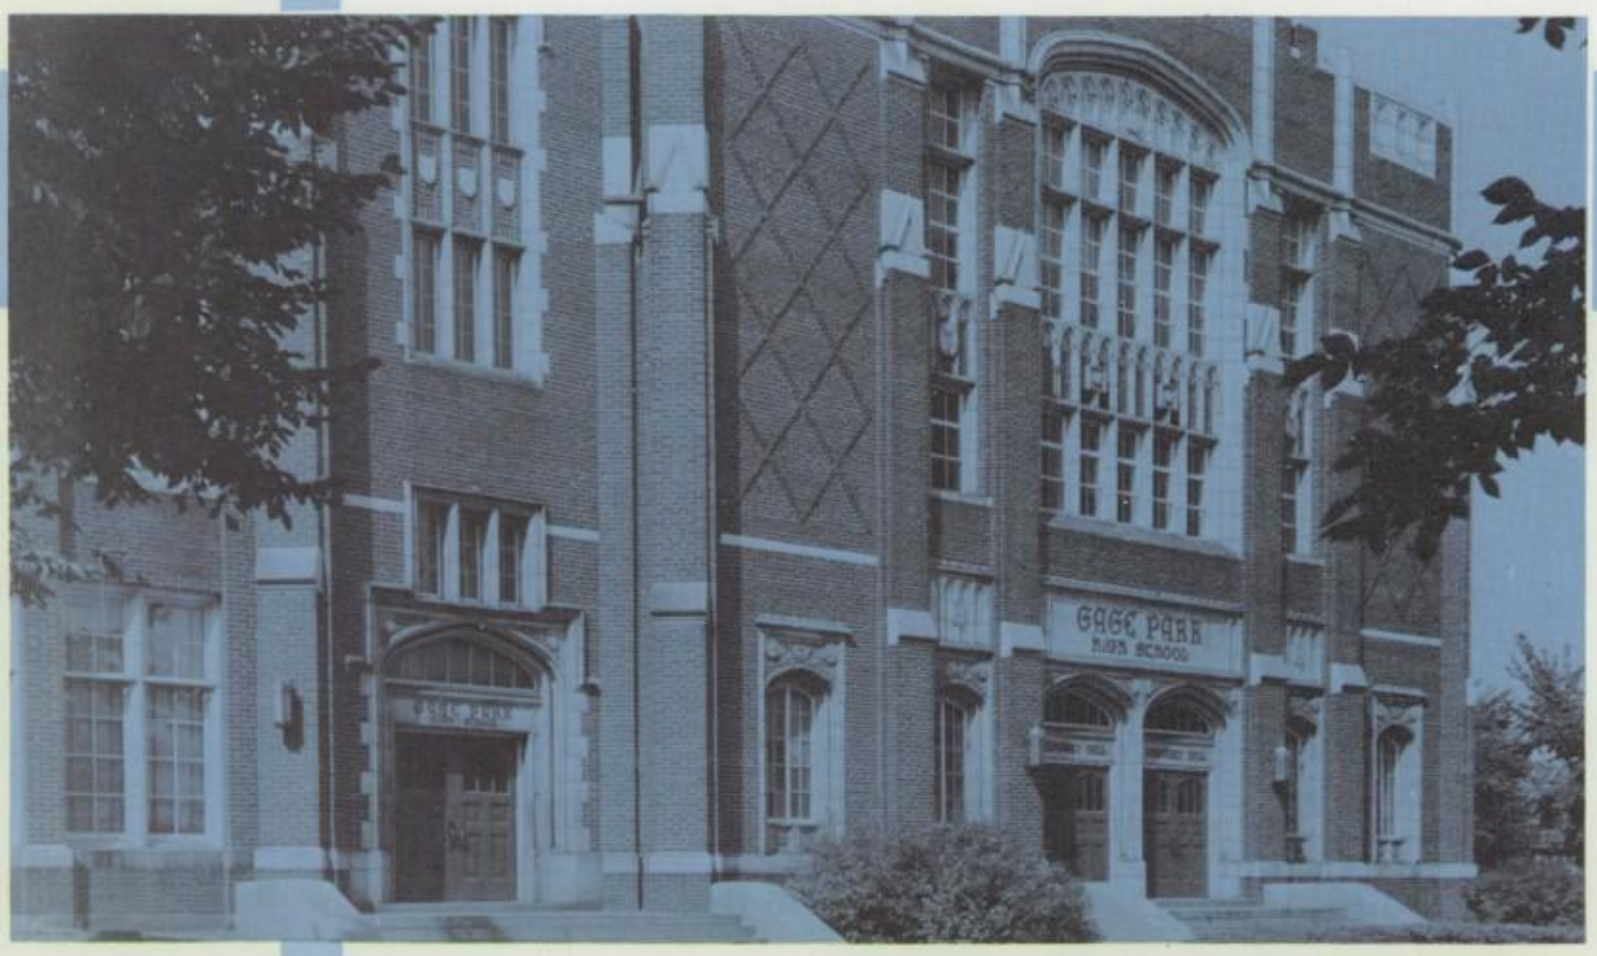
What will be your role in the society in which you will live twenty years hence? What will be your contribution? A little thought now will enable you to direct your energies to fulfill your objectives and ambitions. Thought should be given to the type of parent you will be, the position God will hold in your life, the service you will give to your fellow man. Thought should be given as to what role you will play in the solution to our present social ills. Finally, thought should be given as to how you are going to earn your living. This latter is a very practical problem and is of special importance since the estimate is that over 50% of the occupations in existence in 1885 are not now presently even thought of. Such is the role of our present technological advance.

There are many things to be considered. The problems seem almost insurmountable, but you can overcome them. The way to do this is through faith; faith in God, faith in your parents, faith in your country, and last but not least, faith in yourself.

I wish each of you Good Luck, Good Health, and Godspeed.

Sincerely,

John W. Hahn



JOHN W. HAHN

ASSISTANT PRINCIPALS

MR. WILLIAM BUSHNELL is a qualified guidance counselor and assistant principal here at Gage Park. He assists Mr. Hahn in such matters as the formulation of school policy, the distribution of school awards, the planning of school assemblies, the keeping of records such as the school budget, inventory and equipment records. One of Mr. Bushnell's major responsibilities is the supervision of our teaching staff and the keeping of our teaching staff's records.

MR. GERALD FLANAGAN is the acting principal at Gage Park North, better known as "The Branch". Mr. Flanagan is gifted with the patience to give endless attention to an educational unit of this size. His firm guidance of both student and faculty assures a fine guidance program for our freshman, and prepares them well for their eventual transfer to the main building.

MR. JOHN PURCELL taught Biology at Gage Park for many years before becoming an assistant principal. Even though he is now an assistant principal, he is still Chairman of the Science Department, and head of Audio Visual. As well as Assistant Principal, Mr. Purcell aids Mr. Petromelli with student and teacher programming. We would like to extend our congratulations to him on his promotion.

MR. DANIEL PETROMELLI is one of the busiest and most efficient people at Gage Park. His tasks range from preparation of annual assignments of classes for teachers and the data processing materials in the area of student programming to the scheduling of activities that take place in our social room. Mr. Petromelli also has other duties, such as the scheduling and detailing of graduation activities, assigning of substitute teachers, and the formulation of reports for the downtown offices.

MR. FREDERICK SEARS taught history at Gage for many years before becoming our assistant principal. He acts as the attendance counselor and his chief responsibility is to keep students in school on a regular basis. Mr. Sears also works closely with the youth division of the "Youth Assistance Advisory Board" which is a southwest side community organization.

COUNSELORS

Our staff of counselors here at Gage Park is extremely helpful to those students with personal or school problems. Our ever-expanding group now includes Lauretta Dennison, Lorraine Leknick, Elizabeth Loughborough, Myrna McWhite and George Ruffin at the Main, and LaVerne Marozas and Edward Burton at the Branch. This well trained group of specialists is certain to help in any situation of testing, curriculum determination or college selection and is a vital link between the student and his or her successful future.

PARENT-TEACHER ASSOCIATION

The P.T.A. is a very successful organization of Gage Park. The members are devoted to their work in contributing towards many different school-associated organizations such as scholarship funds and children's charities. Included in the busy schedule of the P.T.A. is an open house and faculty tea. This group has given many services to our school and we can be proud of their work for the promotion of youth welfare.

LOCAL SCHOOL COUNCIL

The Local School Council is a newcomer to Gage Park. It was formed by the Board of Education to give parents, students and community members a chance to help make school policy. The P.T.A. organized it into a standing committee of the P.T.A. in May, 1971.

At the present time, the Local School Council consists of 16 parents, 3 community members, 5 teachers, and 3 students of whom are members of the Gage Park P. T.A.

The Officers of this committee are: Mrs. Meyers—chairman, Mrs. Jackson—vice chairman, and Mrs. Bonnema—secretary.

The only qualification to be on the Local School Council for students, is a sincere interest in the school and to be a member of the P.T.A. The term of a student in the Local School Council is for a year unless re—elected.

TEACHER AIDES

Our efficient group of teacher aides assist teachers in many duties. These duties include supervision of study halls, corridors and lunchroom. They also assist them in the book room, supply room and the library.

Thus teachers are released for student and parent conferences, lesson preparation, club sponsorship, and the keeping of records.

LUNCHROOM

We should be very proud of our lunchroom staff here at Gage Park. They are supervised by Mrs. Catherine Wisch. The meals are planned and well–balanced. The atmosphere is one of friendly comradship. We should give thanks to our "Lunchroom Crew" for affording an enjoyable and relaxing "break" in our school day.

Every year the Icarian staff is confronted with the task of creating a yearbook which is a little different than the previous ones. This is not always an easy task, but the Icarian staff sets to work with a will. Thus new ideas are developed every year.

The Icarian is a student publication. The students have a chance to express themselves in writing, art work, photography, layout, and business. Sponsors are, Mr. Gordon Howatt at the Main and Miss Marozas, assisted by Miss Zerbian, at the Branch.

We hope you will enjoy the products of this years efforts as much as we enjoyed working on it. Many thanks to Divison teachers and Icarian representatives for their cooperation in making the yearbook a success.

HONOR CLUB

In order to recognize students who have achieved scholastic excellence, the Gage Park Honor Club was established. This club, now thirty–two years old, is under the able sponsorship of Mrs. Joyce Peare. To qualify, a student must have a "B" average in all major subjects for the final marking period. A "C" in one course may be balanced by an "A" in another. A golden Honor Club pin is presented to those students who have been members for three consecutive semesters. Awards are given semi–annually. Such students in the Honor Club are well on their way to success in college and in their chosen careers.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America originated at Gage Park in 1954. Under the guidance of Miss Tichy, this club has organized a program which includes visits to various colleges, discussions, talks, and films. These activities give the members an insight into the numerous methods and techniques used in teaching. Valuable experience is also gained by attending teacher conventions and workshops throughout the city. In addition, the F.T.A. sponsors a skating party and honors the faculty on Teachers' Recognition Day. By participating in this program, the students are provided with the necessary background to pursue their future teaching careers.

OFFICE OCCUPATIONS CLUB

The Office Occupations Club is a cooperative work–study program between school and the business world. The students are selected from junior applicants and placed in jobs to help them improve their office skills.

The class is organized into an Office Occupations Club, the purpose of which is to become involved in local and state occupation activities. It was originally started in the fall of 1968, with Mr. Collias as the teacher–coordinator of the program at Gage Park. Under his guidance, the students will be prepared to compete in the business world upon completion of a high school education.

NATIONAL HONOR SOCIETY

One of the highest honors a high school can receive is to be a member of the National Honor Scoiety. This organization was founded in 1921. Gage Park received its charter for the National Honor Society in 1955.

At the present, this organization is under the leadership of Miss Helen Shannon. The code of this society is leadership, character, scholarship, and service.

To qualify, a student must belong to the honor club and maintain a high scholastic standard. Members must also contribute service to the school before and after acceptance. A "below average" trait rating automatically disqualifies a student.

HOSTESS CLUB

The Hostess Club has played an important role at Gage Park for 15 years. Under the sponsorship of Miss Butler, the girls are taught the proper tecniques of setting tables and serving guests. During the year such functions as the Faculty Tea, the Service Club Breakfast and luncheons for Mr. Hahn and visitors, give the girls an opportunity to practice their skills. After 3 semesters of work the girls are awarded a Hostess Club patch.

WANTU-WAZURI CLUB

Wantu-Wazuri meaning "beautiful people", is a club organized last year in 1971. This mainly black student organization is under the sponsorship of Mr. McCarthy, the school's Afro-Histroy teacher.

The club has been doing many things to make itself known to the rest of the school. Last year the club gave a talent show in which many of our black students displayed the various talents that they possess. They also had a memorial tribute assembly honoring Dr. Martin Luther King. The objective of this group is to better the student's awareness of his ancient past, and of his broadening future.

PROGRAM CORPS

Included in the history of Gage Park High School is a very important organization known as the Program Corps. Through the years this organization has helped various teachers and is now under the supervision of Mr. Petronelli. The Program Corps consists of students who help organize and deliver the programs of other students. Without the aide of this group, the changing and organization of programs would be a long and difficult task.

R.O.T.C.

The R.O.T.C., under the superior training of M/Sgt. Cunningham, stands for Reserved Officers Training Corps. This program's purpose is to teach young men military skills, promote leadership abilities, initiative, and to have self-confidence. The corps consists of about 200 cadets. They participate in drills for competition, and have won trophies and awards for many. They have been numerously named as an honor school. There are no requirements except that you be willing to work and to be physically fit. Each year the corps holds their Federal Inspection out in back of the school, presenting cadets with medals and awards for outstanding work shown throughout the entire school year.

VARSITY FOOTBALL

The students of Gage Park are very proud of our Varsity football team. Although we did not have too successful a season score-wise, returning teammates are confident that next year's team will do fine because they have experience and fine moral character. We will always back our "Mighty Owls" and thank them for a thrilling season.

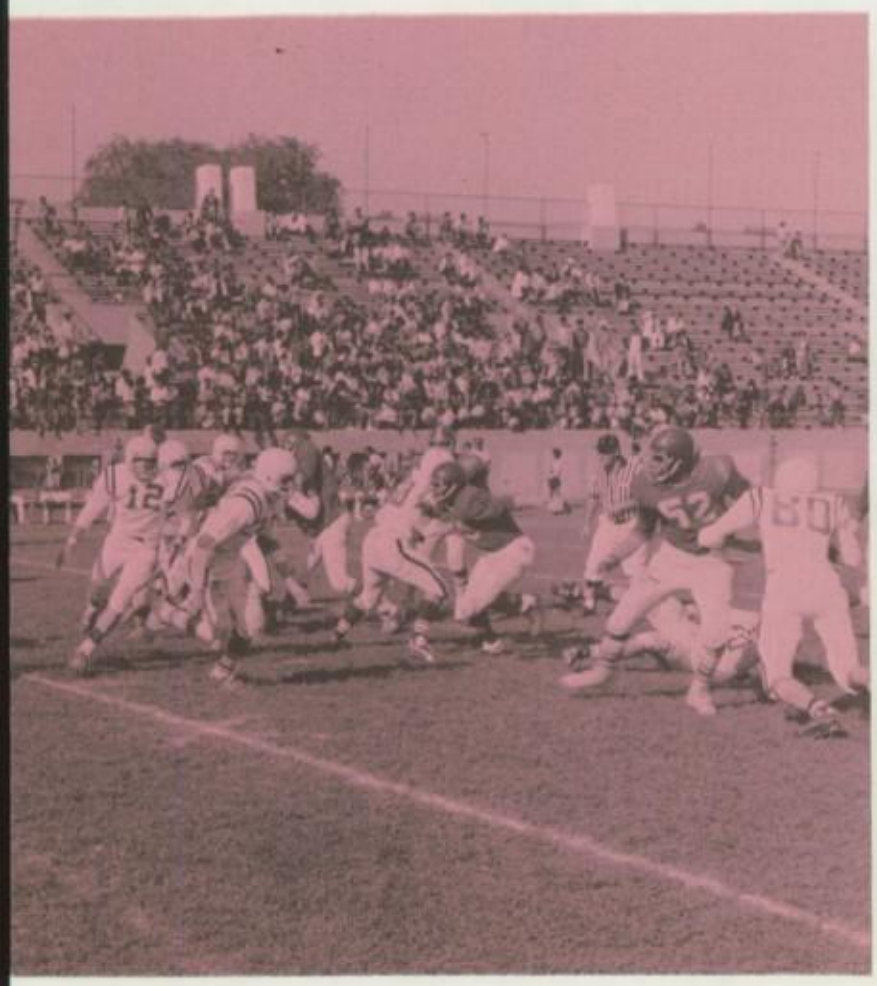
FROSH-SOPH FOOTBALL

Our Frosh-Soph team is just as important as the Varsity team. This team helps to form and develop our future Varsity team. When a boy joins the Frosh-Soph team, he develops his skills and abilities in playing football and conditions his body for the stamina required for the game. Under the leadership of Coach Williams and co-captains Morgan, Gallina, and Christin, the team did very well this year.



FROSH-SOPH BASKETBALL

Our Frosh-soph team this year shows a great deal of promise. Since this team is the training ground for our future Varsity, things look good for our team of the future. Hours of practice are developing a smooth team-work and are developing the skills needed for a winning team. We are eager to see these players on the "big team" next year.

VARSITY BASKETBALL

Basketball will always be one of the fastest and most thrilling of spectator sports. Always well attended, our games offer an opportunity for releasing an explosive excitement as students cheer the teamwork of our players. While the final score may not always be a desireable one, we cannot question the entertainment value of being present at the excitement.

REFLECTIONS . . .

I was looking out the window
or was it looking at me
And just beyond it was a corridor
with miraculous sights to see
Colors exploding left and right
bombarding, blinding me with
these colorful sights

Purple clouds and yellow mist
engulfing the crimson daffodils
A tangerine ocean with marmalade
Whales peeking through a glass
bottom boat

A green eyed pony on the still
carousel watching the carnival revolve
And all the other ponies laughing
at the creatures bunched in a crowd

A blue and red zebra running through
fields next to the pink elephants
The golden hippo wallowing in a maroon stream
stirring the sediments
Then all of a sudden they got up and danced
like ballerinas in a fantasy
singing, dancing, and frolicking
filled with gaeity

The polka dot snakes with gilded wings
were flying across continents
They sang a song so beautiful
While the kangaroos played accompaniment

And in this kingdom of fantasies
the ruler was named artiste
He looked like the other creatures
but he was never earthbound
He was the writer of lyrical portraits
and painter of beautiful sounds

Suddenly someone speaks and
reminds me of where I am
The dreamy world of black and white
forever my head in the sand
But there will always be other dreams
and I return to my fantasy land.

CHEERLEADERS

One of the most energetic and school-spirited organizations at Gage Park is the Cheerleaders. These girls, under the leadership of Miss Brown, help to maintain and promote school spirit. At the games, Pep Club, and pep assemblies, they lead the students in the enthusiastic support of the Owls. The Cheerleaders must meet the requirements of maintaining a "C" average in major subjects and a "B" in physical education.

Cheerleader tryouts are an exciting event. The girls are judged on their ability, poise, personality, and appearance. The competition is sharp. The best are selected and these girls are trained and initiated. Initiation is always an amusing week for all.

For a week during the summer, the girls attend a National Cheerleader Association camp on the grounds of Illinois State Universtiy. This year the squad brought back excellent ratings for our school and also earned the spirit stick.

(PAMOJA) POM-PON GIRLS

The Pom–Pon Girls, formed in 1971, consists of eight black students and their sponsor, Mrs. Jones. The basic requirements for the squad are a "C" average in major subjects, a "B" in gym, and being a good dancer. They call themselves "Pamoja", which means "proud and together" in Swahili. They dance at half–time in their maroon and white uniforms. This group is one of the many in the school, organized to arouse the spirit of our teams, spectators, and friends of Gage Park.

Reflections
of your past years at Gage –
the classes
and hallways
crowded with students,
some you know very well,
others you'll never know.
The games –
yelling, screaming,
winning, losing.
The dances
and proms –
music, romance,
your first date,
your first love.
And finally,
graduation –
a goal long awaited,
a step into the future;
the end of high school,
the beginning of the rest of your life –
college,
marriage,
a career –
each individual
going his own way –
but whatever
that way
may be –
there will always
be a time
to look back . . .
to reflect . . .

As My World Proceeds.

Keyhole surrounded with miniature designs engraved

upon an iron plate;

Are there not the smallest of beings who know you

as their shelter ?

Aren't there rooms that provide their comfort, beds

to relax their soul?

And as my world proceeds , do they not wander

in wayward paths of flower designs to daily

chores, neighborly communication?

This I belive and long to receive a realistic

glimpse of them.

How warm they make me;

When I think of them,

How dreamily I feel to share their life.

How different they are.

"DEAR CARLOS . . . . . "

Readers of the EN-GAGER have been fortunate in having the devastatingly suave advice of this psychic columnist to guide the destinies of their lives throughout the past year. Students have turned in droves to this source for answers to their problems of marriage, homework, teacher cruelty and What To Do On Saturday. Dear Carlos has graduated; who can possibly fill his shoes (size 12)? Good luck, Dear Carlos. May your advice never boomerang.

To stand and call out: which way, how far?
The anguish of all time is ours–
Changes all around
And we must say: which way, how far?

Our souls burn with, desires like the
Generations of ages past–
No turmoil, but peace and
Power through knowledge, not fury.

All paths lead to the end of life; but
Also faith is ours, and visions,
Visions of glory,
Glory and joy. We choose this path.

WHO MADE THE SALAD ?
I DID...

I DON'T THINK THAT JOKE WAS VERY FUNNY, MR. HOWATT.

I THINK I'LL TAKE THAT '67 BUICK...

THESE POMPONS HELP SCHOOL SPIRIT. I CAN'T SEE THE GAME!

I CAN'T STAND BETTY-SHE REMINDS ME OF A MANNEQUIN.
